

cKc Kitchen Knives © 2011  
Good for the kitchen  
Good for the Camp  
Good for the Caravan

Proposed Price for 2012 \$340NZD

\* The sharp edge is inset softly away from the rear of the cutting blade

Each blade features the cKc Unique Safety Heel. This feature allows a full length cutting edge without a hindering Bolster, but offsets the sharp edge from the heel of the blade for added security against nicking your finger.

Proposed Price for 2012 \$165NZD

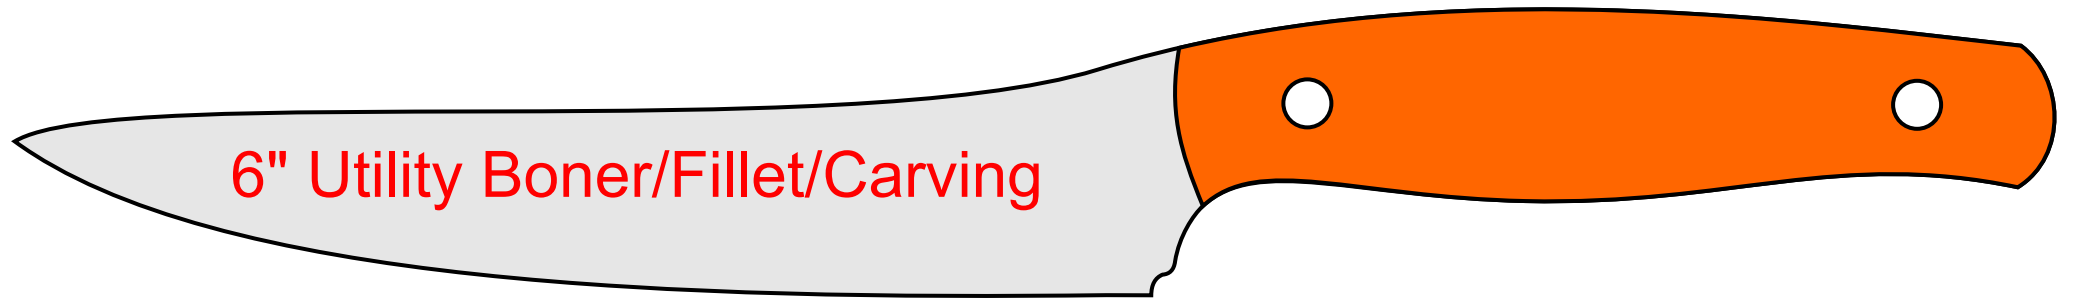

## The GrandMaster 240mm Full size chef knife.

For those who have the benchspace to use the ultimate full size blade  
The broad blade and weight will make cutting and processing faster  
and safer

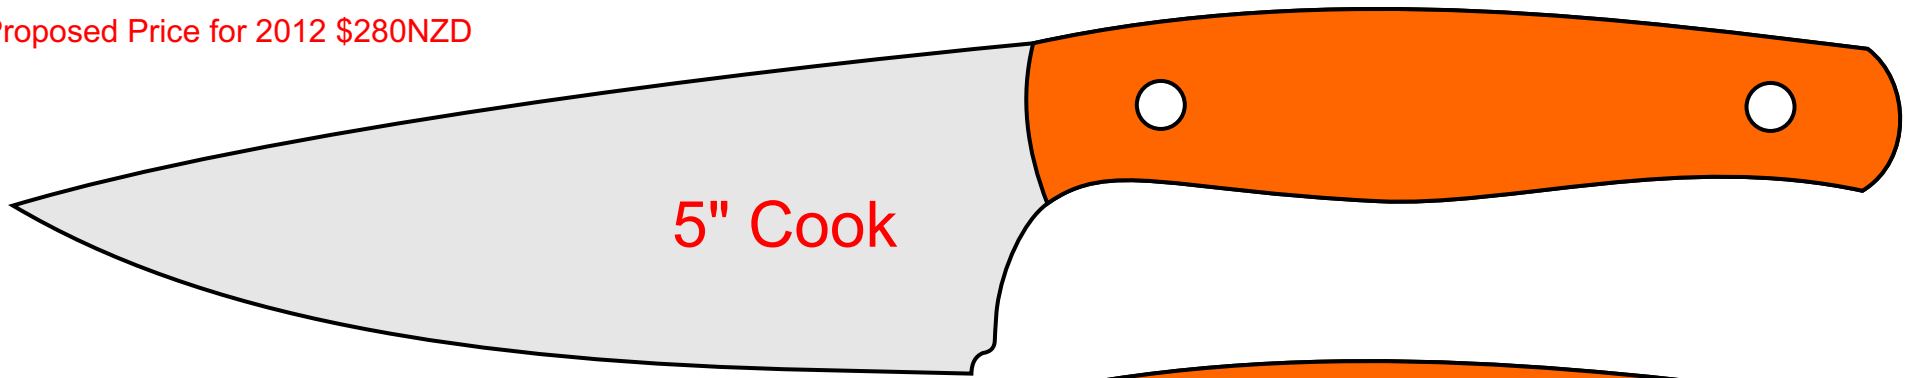

Proposed Price for 2012 \$400NZD

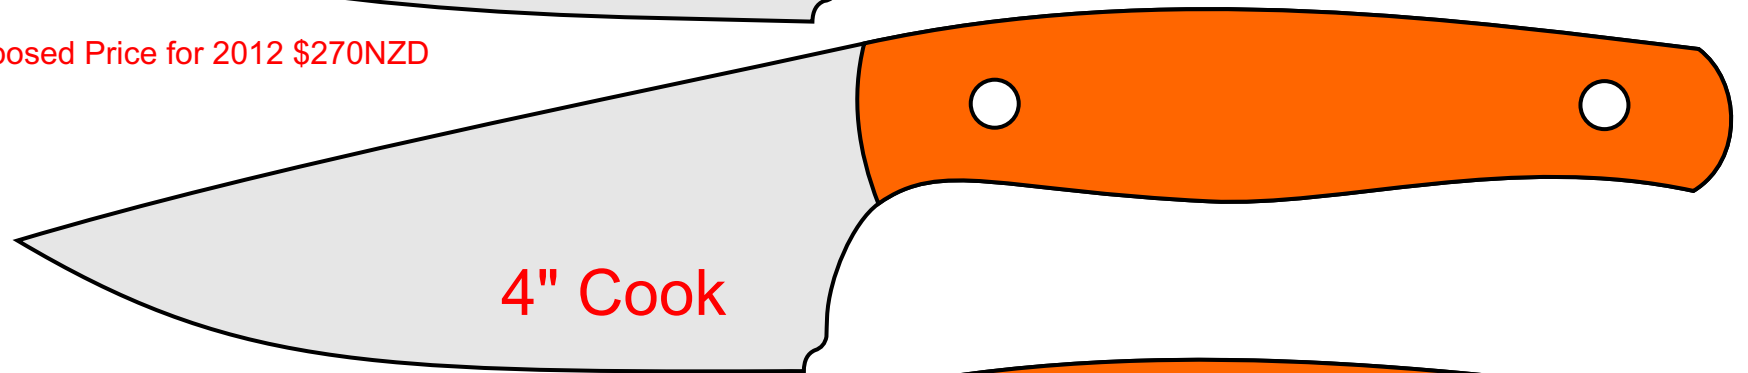

# Blades for a wide range of uses

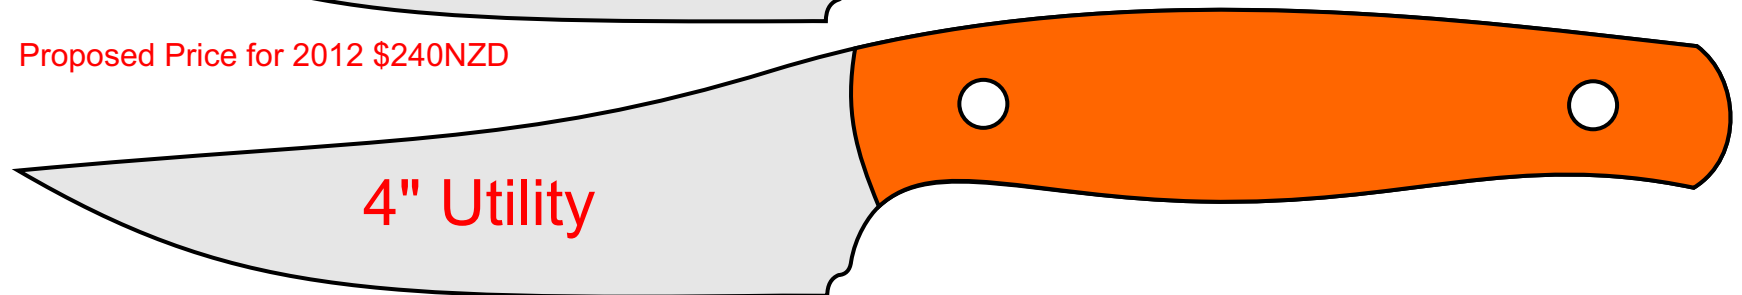

Proposed Price for 2012 \$280NZD

Proposed Price for 2012 \$270NZD

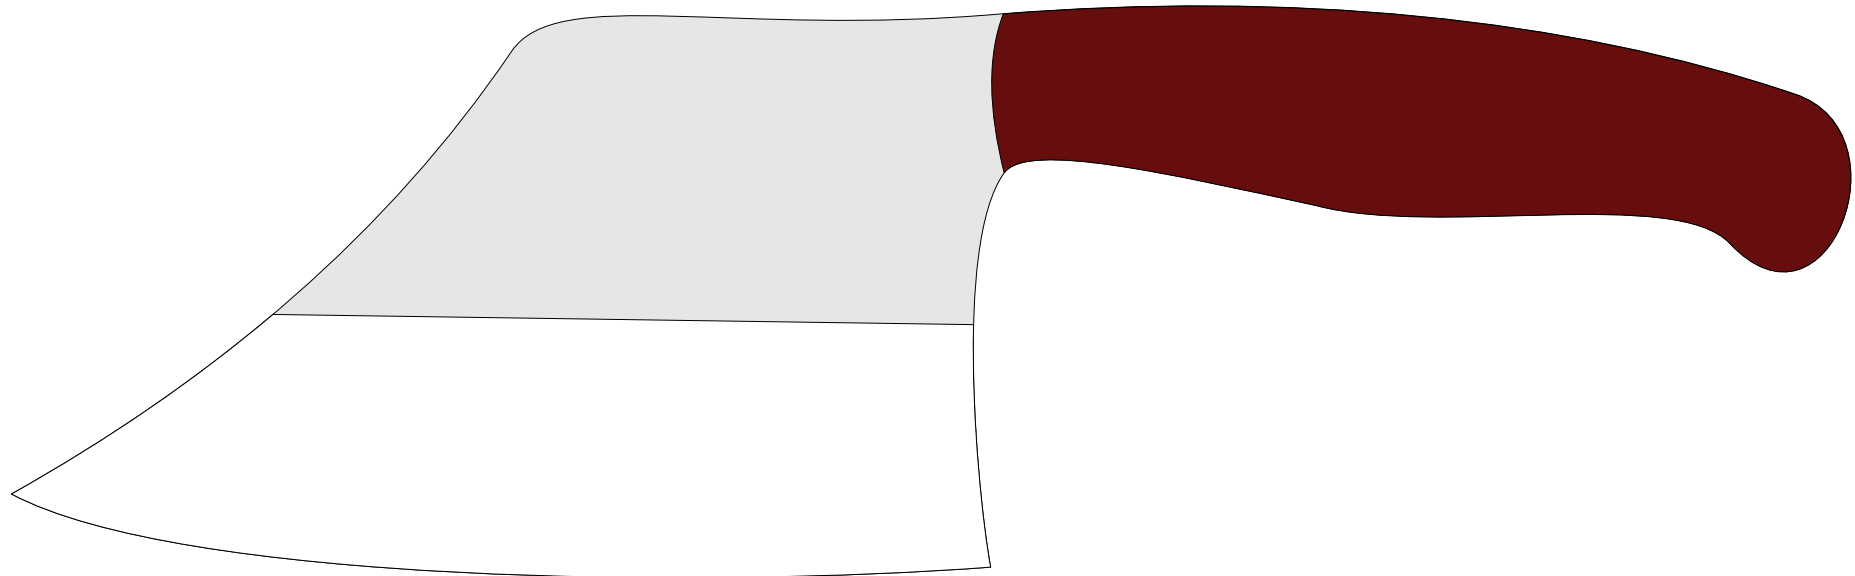

Proposed Price for 2012 \$240NZD

Proposed Price for 2012 \$225NZD

# Fusion-5

a Smaller version of the fusion for those needing a compact cleaver.  
curved front gives a detailing point. Can be ground thin for vegetables,  
or thick for bones.

Proposed Price for 2012 \$300NZD
